SEARCH TIPS

Tip 1:

Keep searches simple and specific. For example, to find a Washboard band, you only need to enter: washboard.

Tip 2:

Try double-checking your spelling before giving up a search.

Tip 3:

Word order, case and punctuation are not important. For example, John Coltrane may be entered: Coltrane John

Playlists

Playlists are themed collections of materials and can be created by any user of the database. Users can create playlists containing video and/or other items such as links to any URL. Playlists can be annotated, edited, copied, shared, and all playlists contain their own unique lists of personal favorites, class viewing/listening assignments, or as a teaching resource for in-class use.

The My Playlists tab contains a user's personal playlists, and are only visible to individual users.
